- Bookmark in snapplify reader
- Creating groups and prescribed lists in “engage”
- Purchase a book/materials in “engage”
- Uploading resources and sharing with students
- Finding resources in “engage”
- Recommendations & conclusion.

# Background

- ❑ Snapplify was founded by Wesley Lynch in 2011 in South Africa;
- ❑ It's purpose is to give digital access to resources;
  - Downloaded material can be access offline;
- ❑ There are two routes for utilizing snapplify, namely:
  - ✓ **Engage** platform- comprise of some courses & it's a platform where materials/resources can be purchased;
    - This platform is accessed by typing <https://teachainspire.com> in the address bar;
    - You will have to sign-in, in order to access the platform;
  - ✓ **Reader app**- can be downloaded in any gadget for reading books;
    - This can be downloaded in any gadget;
    - You use the same sign-in details as the one created for the “engage platform”;

# Background cont...

## What can snapplify reader be able to do?

- Allows the reading of downloaded material/books
- You can zoom in & out
- Can search a word in a book
- Can highlight/draw on the screen
- Have a function that can change from text-speech (promote reading)
- Can add notes/show resources

# Introduction

- ❑ This is just an orientation for using the snapplify reader;
- ❑ Your laptops came with the snapplify reader already installed;
- ❑ E-books for the subjects you are teaching are already loaded;
- ❑ In instances where relevant textbooks are not loaded, contact your school ICT coordinator;
- ❑ The school ICT coordinator will sort it immediately by calling Ms Nonto Masina from Bongani Rain maker (079 557 8018);

# Introducing the snapplify reader icons

- ❑ Click the snapplify reader app in your desktop;
- ❑ The loaded textbooks will be displayed;
- ❑ Choose any e-book/e-resource for DEMO purposes;
- ❑ Click on the icon for activation, click again for de-activation;

✓ Settings icon

✓ Next page icon

✓ Panel

✓ Zoom in/out

✓ Search

✓ Draw pen

✓ Speaker

# Introducing the snapplify reader icons cont..

- ✓ Bookmark 
- ✓ Highlighter 
- ✓ Show notes 
- ✓ Show resources (engage)
- ✓ Show journal 
- ✓ Add bookmarks list
- ✓ share 

# How do I add notes

- Highlight the section where notes should be added;
- Click/Tap on the highlighted text.
- Tools become available at the base of your screen.
- Tap on the “note” icon.
- Enter your note in the textbox that opens,
- Then tap on the “OK” icon to save your note.
- Your note can be identified by the page icon at the highlighted text, which opens the note when tapped.
- The added notes can be available whenever required;

# How do I add bookmark on e-book

- Open your e-book in the reader app;
- Tap and hold a particular word in the text. ...;
- Drag the selector over the text you wish to highlight; then tap 'Highlight' in the pop-up menu;
- To change the colour of the highlight, tap the highlighted text,
- Then tap the colour gradient icon in the pop-up menu;

# How do I bookmark an e-book (in snapplify reader)

- Once you create a notebook and a note inside that notebook;
- Tap to select the text you want to highlight,
- Select the highlight tool;
- The third tool on the bottom row that looks like the tip of a pen;
- Select your highlight colour;

# How do I add resources (in Engage)

- After signing-in, to Engage platform of snapplify;
- Navigate to the Library section by clicking 'Library' at the top of your screen;
- From your dashboard on the left-hand side of your screen, select 'Resources'.
- Next, scroll down the page until you see the button to 'Add Resource'.

# Creating groups and prescribed lists (in Engage)

- ❑ You need to have an Admin user role to be able to create groups & lists;
- ❑ You can add users individually or allow users to join for themselves;
- ❑ In creating prescribed lists, the Admin can do it or select any staff member to execute the task;
- ❑ After this task, you can then select books/material for a particular task;
- ❑ These resources can then be accessible by your learners;

# Purchase an e-book/material (in Engage)

- ❑ Purchasing a book include zero purchases.
- ❑ In the “Engage platform”, follow the process outline below:
  - ✓ Go to home tab
  - ✓ Groups
  - ✓ Then your school will appear
  - ✓ Select the book you need as prescribed

# Finding resources (in Engage)

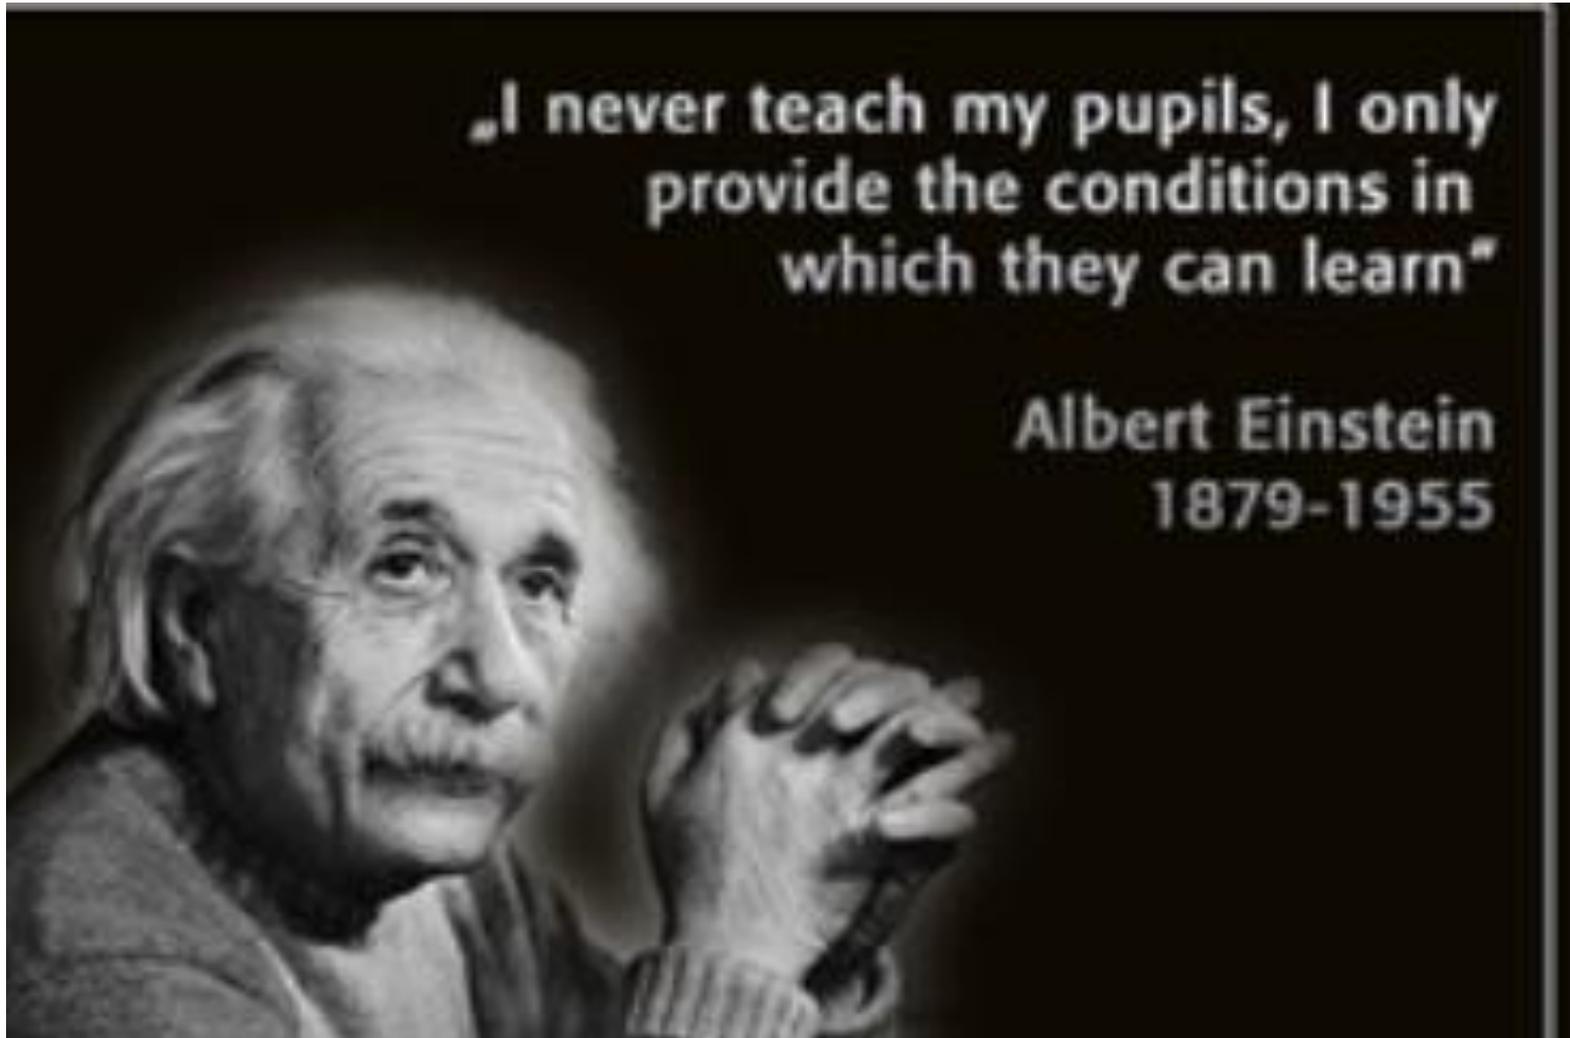

In order to find a resource, follow the process outlined below:

- ✓ Go to the library
- ✓ Browse
- ✓ Search the title
- ✓ Check out
- ✓ At check out, click “add list”

# Recommendations and conclusion

- ❑ It is recommended that you do the free online course on snapplify;
- ❑ You will require the sign-in details, these should be provided by the eLearning coordinator of the school;
- ❑ You sign in with your school allocated details;
- ❑ The same sign-in details should be used for snapplify reader & for engage.
- ❑ So, where there is a will, there is a way: **LET'S DIGITILIZE OUR CLASSROOMS.**
- ❑ Let's start with the gadgets provided in our schools.

# Thought for the day

# THANK YOU
