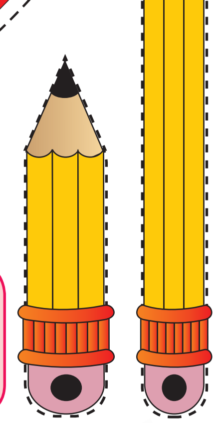
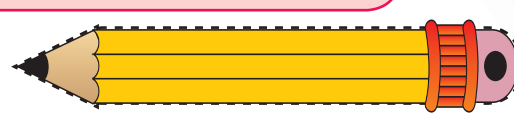
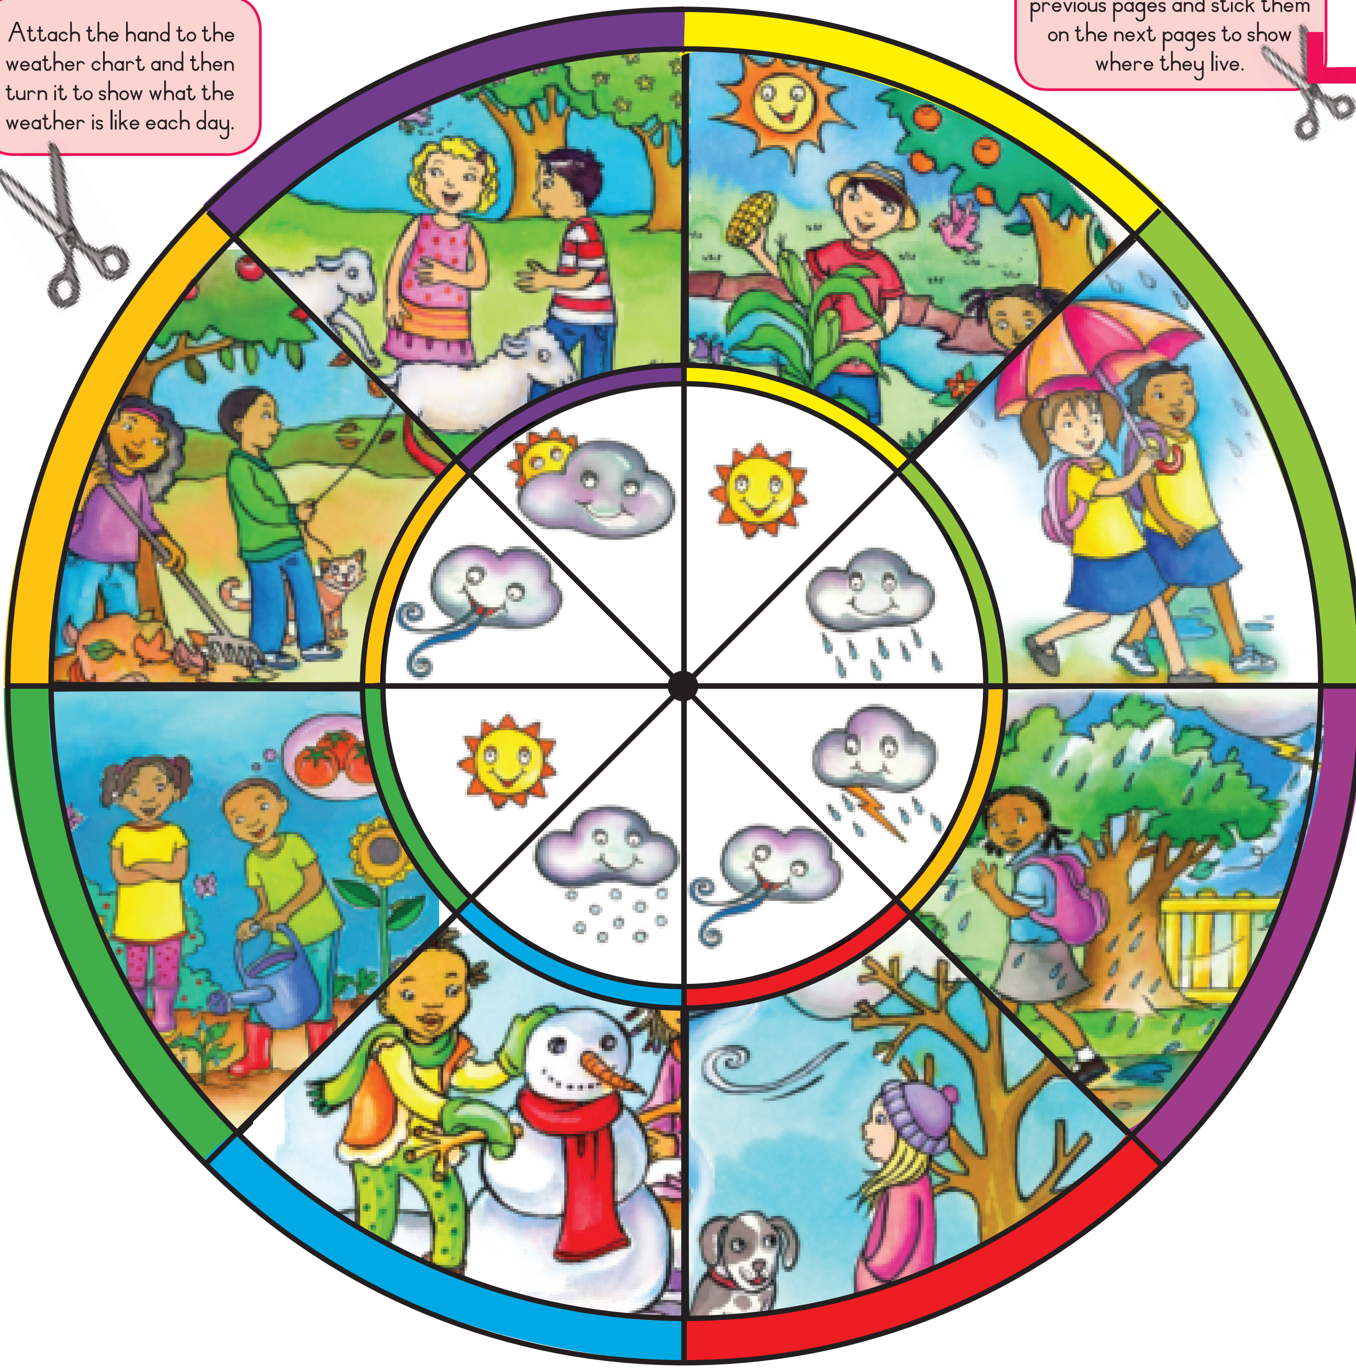
Cut out the clock and then the hands of the clock. Use the clip (a splitpin) to fasten the hands to the clock so that they can turn around. Now use your clock to show your friends the time.

At the same time fasten this hand to the weather clock on the back of the clock.





Attach the hand to the weather chart and then turn it to show what the weather is like each day.



Cut out the animals on the previous pages and stick them on the next pages to show where they live.
