FARMER MANDLA (SUNG TO YANKEE DOODLE WENT TO TOWN)

Farmer Mandla planted seeds
Riding on a tractor;
He ploughed them in
Then watered them a little bit later.

Chorus

Farmer Mandla keep it up,
Farmer Mandla ... Viva! (Shout Viva!)
Grow our fruit and vegetables,
It helps us to grow bigger.

Carrots, spinach, tomatoes
Are grown in the summer
Our moms will cook them up for us,
Cos veggies makes us stronger!

Chorus

Cabbage, turnips, asparagus
Grow in the cool of winter
Our moms turn them into soups for us,
Cos soups keep us warmer!

Chorus
