

**Are you worried about Chat GPT
and what it means for learning?**

© www.vecteezy.com

Building on the foundations of Via Afrika's
Teaching for the Fourth Industrial Revolution course we are
pleased to announce two new sessions:

Session 10: Introduction to Generative AI and Chat GPT
Session 11: Taking Generative AI and Chat GPT into education

**VIA AFRIKA
DIGITAL EDUCATION ACADEMY**

ONLINE TRAINING FOR TEACHERS

FOURTH INDUSTRIAL REVOLUTION

SESSION 10: INTRODUCTION TO GENERATIVE AI AND CHAT GPT

2 HRS

1. AI, Generative AI and ChatGPT
2. Generative AI applications: Google Bard, Microsoft Bing
3. The pros and cons of using generative AI
4. ChatGPT: how to access it, how to use it
5. Prompt engineering

SESSION 11: TAKING GENERATIVE AI AND CHAT GPT INTO EDUCATION

2 HRS

1. Acceptable and unacceptable use of AI policy; Bloom's Taxonomy Revised (Reviewed for AI);
2. Effectively using AI in education: as an interactive tutor; as a reading aid; for creating effective explanations, examples, and analogies; for lesson planning; as a conceptual understanding generator; as a common misconception generator; to create multiple choice quizzes and rubrics
3. MagicSchool.ai as an application of Generative AI
4. Animated Drawings as an AI application.

JUST A REMINDER OF THE OTHER SESSIONS IN OUR COURSE TEACHING FOR THE FOURTH INDUSTRIAL REVOLUTION:

SESSION 1: Getting to the Fourth Industrial Revolution (4IR)

SESSION 2: Augmented Reality (AR)

SESSION 3: Virtual Reality (VR)

SESSION 4: Big Data

SESSION 5: Artificial Intelligence (AI)

SESSION 6: Coding

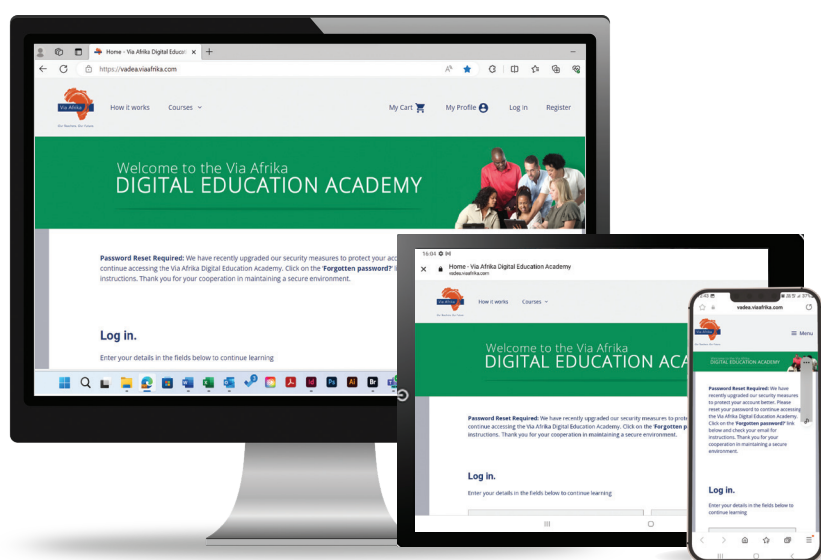

SESSION 7: Robotics

SESSION 8: GenReady for the 4IR

SESSION 9: Other 4IR Technologies and Applications

MODES OF TRAINING

As part of Via Afrika's Digital Education Academy, this course consists of 11 two-hour sessions that are completed online. Register and do these sessions at www.viaafrika.com/academy. You can do each two-hour session for only **R125.00** (VAT incl.), in your own time and at your own pace.

Should you require more information about the Via Afrika Digital Education Academy, please send an email to info@viaafrika.com.
