Friends TERMI WEEKS 9 AND 10

LITERACY ASSESSMENT

This assessment task will assess whether the learners have understood and can apply the concepts taught in this theme. Over the last two weeks learners:

- listened to the Big Book Istory 'We Have Fun' on page 4;
- demonstrated understanding of the above story;
- sang and recited songs;
- talked about how to be a good friend;
- described how to make and treat friends;
- used the sentence frames with the teacher and class;
- practised the letter formation of the letters in their name; and
- used language for learning.

This assessment task may take several days to complete. You can do it on a one-to-one basis with each learner or in a small group.

TASK

Part One

- Ask learners to 'read' their own name.
- Now ask learners to trace the letters in their name, saying what they are doing. Check that they start and end in the correct positions.
- Finally, ask the learners if they know words that begin with the same letter as their name begins with. Remember to say the sound and not the name, i.e. `nnn' not `en'.

- Ask each learner to say the sound of each letter in their name.
- Provide magnetic letters. Each learner must build their name using the letters, without looking at their name tag.

Part Two

- Use the Grade R kit Poster 4 called 'Friends' for this task.
- Ask each learner to describe what various children are doing with their friends in the picture.
- Ask: 'Which of these activities would you like to do with a friend?'

Part Three

- Use the sentence frame: 'I like to... with my friends'
- Place action flash cards and the pictures on page 45 of Workbook I on the table.
- Ask: 'What is the girl/boy doing?' and point to a picture.
 Ask: 'Do you like to do this with your friend?' The learner replies 'I like to... with my friends'.
