

FRIDAY

 Arrival 15-30 mins	Greet each learner.
 Health check	
 Morning Circle 10-15 mins	Provide each learner with a Unifix™ block and a piece of Prestik™. On the board write down a list of vegetables one under the other, e.g. onion, spinach, cabbage, carrots. Learners say which vegetable is their favourite and stick their Unifix™ block next to their favourite. See from the graph they have made which is the most and least favourites.
 Work Time Activities 30-35 mins	<p>Mathematics focus Learners use construction apparatus to build a farmhouse.</p> <p>Creative focus Select a variety of very firm fruits and vegetables from the theme table. Cut them in half and let learners make prints from them. Provide paint and paper for this activity.</p> 
 Small Group Time Activity 10-15 mins	<p>Literacy focus Revise the letter 'g' and let learners choose one item from the sound table. Ask them to name it and if possible use the word in a sentence.</p>
 Tidy-up time	
 Hand washing	
 Snack time	
 Music and Movement Ring	Learners mime that they are a vegetable seed growing into a lovely plump vegetable. They can choose any vegetable they like.
 Outdoor Play	Include the activity below as one of your daily outdoor activities. Allow learners to play skittles again.
 Story Time	Read a story of your choice for the enjoyment and relaxation of the learners. (For help on selecting stories, refer to LSF, Choosing Books For Storytime).
