

THURSDAY

 Arrival 15-30 mins	Greet the learners individually and remind them to pick up litter and to use the recycle bins when possible.
 Health check	
 Morning Circle 10-15 mins	<p>Learners look at pictures on pages 10 and 11 of Workbook 4. Ask them to describe the weather in Spring. Ask them what season comes before/after Spring.</p> 
 Work Time Activities 30-35 mins	<p>Literacy focus Learners find the stickers to paste on the pages. They write their name in the block on page 11.</p> <p>Mathematics focus Learners make dinosaurs from plastic shapes. Prepare silhouette shape cards so learners have to carefully select the shapes they are to use.</p>
 Small Group Time Activity 10-15 mins	<p>Mathematics focus Learners count to ten, alternating touching their left foot with their right hand and their right foot with their left hand. Group ten dinosaurs from the theme table into groups of two. Let the learners count them in twos. Revise the flash cards 1-8 and the matching words. Learners complete page 4 of Workbook 4.</p>
 Tidy-up time	
 Hand washing	
 Snack time	
 Music and Movement Ring	Play 'Pass The Dinosaur' again. Learners pass a dinosaur toy around the circle as music plays. When the music stops, the learner holding the dinosaur is out. But if that learner can name the name of a dinosaur then they stay in the game.
 Outdoor Play	<p>Include the activity below as one of your daily outdoor activities.</p> <p>Use chalk to draw several circles, one inside the next, on a wall outside. Starting with the outside circle give each circle a score. The centre circle will have the highest score. This is a target. Learners throw balls at the target. Help them tally their scores.</p>
 Story Time	<p>Ask individual learners to read the Big Book they made to the class.</p> <p>Learners can also choose books from the reading corner. Encourage them to handle the books correctly.</p>
